

MS. TRISH'S – P3 OCTOBER SNACK CALENDAR

Snack calendars are done monthly, if you do not see your name on this month, it will be on another month sometime during the school year. When making your snack purchases, **please avoid any nut products due to allergies**. This year we will have two snack schedules: one is for the traditional school day and one for children who stay after school. **SNACK LISTS WILL BE PROVIDED.**

Also, for birthdays, we celebrate this milestone with your child by "walking around the sun" for each year of his/her life. As part of this process, we like to show a picture of your child for each year of their life. Please provide pictures (any size) to assist with this celebration. Lastly, if your child has a summer birthday, we will schedule a celebration for them at some time throughout the school year.

CONFERENCES – October 31st & November 1st

Please sign up on iVolunteer for your conference date and time.
